think about it

- you can't out give God
 - pray like it depends on God & work like it depends on you
 - fulfill God's purpose for you & stay in that lane
 - expect the unexpected
 - love people when they least
- deserve it & least expect it
 - irrelevance is not an option
 - wisdom is learning *how* to think, not *what* to think
 - playing it safe is risky

TODAY'S SUBJECT elements of worship the crust

2 chronicles 7:12-16, CEV

"Some time later, the LORD appeared to Solomon in a dream and said: I heard your prayer, and I have chosen this temple as the place where sacrifices will be offered to me. Suppose I hold back the rain or send locusts to eat the crops or make my people suffer with deadly diseases. If my own people will humbly pray and turn back to me and stop sinning, then I will answer them from heaven. I will forgive them and make their land fertile once again. I will hear the prayers made in this temple, because it belongs to me, and this is where I will be worshiped forever. I will never stop watching over it."
