think about it

- you can't out give God
 - pray like it depends on God & work like it depends on you
 - fulfill God's purpose for you & stay in that lane
 - expect the unexpected
 - love people when they least
- deserve it & least expect it
 - irrelevance is not an option
 - wisdom is learning *how* to think, not *what* to think
 - playing it safe is risky

TODAY'S SUBJECT
elements of worship
the wind - the element of response

acts 2:43-47, cev

"Everyone was amazed by the many miracles and wonders that the apostles worked. All the Lord's followers often met together, and they shared everything they had. They would sell their property and possessions and give the money to whoever needed it. Day after day they met together in the temple. They broke bread together in different homes and shared their food happily and freely, while praising God. Everyone liked them, and each day the Lord added to their group others who were being saved."
